

1st Vice President's Report
Association of Canadian Map Libraries and Archives
2010-11

Special thanks to Stéfano Biondo (Chair), Jöe Bouchard, Lucie Gendron, and Gaston Quirion who formed the Local Arrangements Committee for this year's conference. Stéfano and his team rose to the occasion at very short notice to produce a fabulous conference. The program team of Nancy Lemay (Chair), Jenny Marvin, Marcel Fortin constructed an exciting program.

Each of the committee chairs prepares their own reports, and I would like to thank them for their service over the past year: Trudy Bodak for the Bibliographic Control Committee, Richard Pinnell for the Copyright Committee, Eva Dodsworth for the Awards Committee, Erin Forward for the Membership Committee.

Two of the Chairs are stepping down this year: Trudy Bodak and Erin Forward. Trudy is leaving after many years service and has worked hard to make sure that the BCC has become one of the most vibrant committees. David Jones has agreed to Co-Chair this committee and we are actively seeking another Co-Chair. Erin Forward has conscientiously undertaken the role of Membership Chair for a number of years. This is one of the hardest and most essential roles within any association. I'd like to thank both of you for your dedication and enthusiasm.

Locations and affiliations for our meeting in 2013 have been investigated. CAG have indicated that they are keen on partnering with ACMLA and meeting in Whitehorse.

I am stepping down as 1st VP this year. I would like to thank the Executive for their support and encouragement whilst I was 1st VP: Andrew Nicholson, Colleen Beard, Dan Duda, Susan McKee and Susan Greaves.

If you would like to volunteer to sit on one of these committees please do not hesitate to contact me.

Respectfully submitted

Ann Smith
