

Bibliographic Control Committee Report

In the spring of 2012, Janina Mueller stepped forward as co-chair of BCC, alongside David Jones. In the summer of 2012, Janina Mueller (University of Toronto) took on the role of the ACMLA representative to the Canadian Cataloguing Committee (CCC). In that capacity, she was asked to consult ACMLA members in clarifying RDA instruction 7.26.1.3. Nancy Lemay and Stefano Biondo were consulted on providing a response on this issue to the CCC.

In addition, the CCC held a meeting in Ottawa in September 2012 but no ACMLA member was able to attend. According to Christine Oliver (McGill), who attended the meeting, no matters regarding cartographic material were discussed.

In December 2012, David Jones stepped down as co-chair, to pursue retirement. Janina is stepping down in her role as an active member of the BCC and the CCC, as she will take up a new job position in June 2013 in the United States.

I would like to express my thanks to both Janina and David for their leadership and contribution to BCC.

This coming year will bring new challenges, as we at present don't have any active members of the BCC committee.

Respectfully submitted

Janina Mueller, Co-Chair, BCC and Rosa Orlandini, ACMLA VPI.
