Once again, I would like to sincerely thank the faithful *Bulletin* staff for their efforts: Dan Duda (New Maps), Eva Dodsworth (New Books and Atlases), Andrew Nicholson (Regional News) and Richard Pinnell (Geospatial Data Reviews). We have welcomed Michele Shular to the *Bulletin* staff, as Reviews Editor beginning with *Bulletin* 122, and many thanks go to Tim Ross for years of service in this position. Thanks are again due to Susan Jackson who has labelled the envelopes for every issue, and to Beth Ray who has supplied the new member information and the labels for every issue.

Finally thanks to all who have prepared articles, news and reviews. These contributions are essential to a quality *Bulletin*, and all members are encouraged to continue to send ideas and suggestions for future issues. Particular thanks to Ed Dahl for his help in obtaining scanned images and copyright permissions and for his editing of the Dean article in *Bulletin* 122.

Respectfully submitted,
