The *Bulletin* would not be possible with our column editors! Sarah Simpkin is our new *Book Reviews* Editor, replacing Susan McKee. We thank Susan McKee for all of her work in the past few years and for always offering readers with a wonderful selection of book to review.

I would like to thank all of my editors for all the work they have put into their columns this year:

Peter Genzinger – New Books and Atlases
Cheryl Woods – New Maps
Susan McKee – Reviews
Tom Anderson – Regional News
Geospatial Data and Software – Andrew Nicholson
GIS Trends – Courtney Lundrigan

And special thank you to our Membership Chair, Leanne Trimble who has supplied the new member information, to Sherri Sunstrum for the labels, and to Teresa Lewitzky for the envelopes!

Finally, thanks to all who have contributed articles, news and reviews. Through your

knowledge and experiences, you inspire and educate *Bulletin* readers world-wide!

Respectfully submitted,
Eva Dodsworth
