I would like to thank all of my editors for all the work they have put into their columns this year:

Peter Genzinger – New Books and Atlases
Cheryl Woods – New Maps
Sarah Simpkin – Reviews
Tom Anderson – Regional News
Geospatial Data and Software – Andrew Nicholson
GIS Trends – Courtney Lundrigan

And special thank you to our Membership Chair, Leanne Trimble who has supplied the new member information, to Sherri Sunstrum for the labels, and to Teresa Lewitzky for the envelopes!

Finally, thanks to all who have contributed articles, news and reviews. Through your knowledge and experiences, you inspire and educate *Bulletin* readers world-wide!

Respectfully submitted,
