The Association of Canadian Map Libraries and Archives Web Committee was mostly dormant in 2014.

The following technical and administrative tasks were also carried out during the year:

- Continued maintenance and updating of website.
- Updated WHOIS data was to reflect appropriate administrative, billing, and technical information as per the requirements of the Internet Corporation for Assigned Names and Numbers (ICANN).
- Renewed domain for another two years. New renewal date July 11th 2017.
- Webhosting services due for auto-renewal July 2015. When we renew for 2 or more years at a time the cost is \$3.95/mo <https://canadianwebhosting.com/hosting/linux_hosting.asp>.

Effective after the Annual General Meeting, Jacqueline Kreller-Vanderkooy will step down as webmaster for the organization. It has been a pleasure to work with her for the past two years and we wish her well with her future endeavours.

With the change over to the new organizational structure commencing after the AGM; this will be the last report of the ACMLA Web Committee in its current form. It has been a pleasure to be part of this committee for the past ten years.

Respectfully submitted,

Siobhan Hanratty
